

Hello All,

Meda has obtained some additional funding for the Paycheck Protection Program (PPP) loan program. Our organization has recently enrolled with a program to be able to fund Payroll Paycheck Loans, and as of May 10th, SBA still has funding available.

Remember, if you think you may qualify and have not received notification from your bank or did not realize you could be eligible until now, you still have a chance to get funded.

Call Meda at 612-332-6332 and leave a message or ask for information on the SBA.

“Take advantage of the program to help you keep your business get in business.”
